## The AIS Scholarship Programme

AIS provides students from economically disadvantaged backgrounds with funding amounting to a maximum of Rs 10,000.00 per year for course fees to study at recognized academic institutions beyond high school or college.

### Eligibility

To assess eligibility for an AIS Scholarship, the following criteria is applied:

1. Students must have a grade of 60% or above.
2. Student's parents / guardian's income is Rs 10,000.00 per month or less.
3. Students have been officially accepted in a recognised course.

### Conditions

1. The student must make a commitment to complete the course.
2. The student must maintain at least 60% marks during the course.
3. Receipt of the money for the first term will be given to an AIS representative before the money for the next term becomes available.
4. Student should not have a criminal record.

### Supporting Material

All applicants must supply:

- copies of **school / college / university transcripts**
- a copy of the **institution's letter of acceptance** for the course indicated in the application form
- copy of the **course fee / due form** for the institution
- a **recent photograph**

N.B. A working knowledge of computer skills and use of the internet is highly recommended as information on the sponsor and the student will be displayed on the [AIS website](http://amrohainternationalsociety.com/), which will allow regular communication between the sponsor and the student and will enable the sponsor to guide and mentor the student.
