

Amroha International Society

This biennial newsletter provides information about the latest activities of the Amroha International Society and shares the stories and news of its members.

COVID-19 had a devastating effect on Amroha resulting in lockdowns robbing people of any source of income. We have been distributing food bags consisting of enough food for four people for a week to over four thousand people since May 2020.

I want to thank our generous donors to make it possible.

We have given six scholarships to students in Amroha.

The annual distribution of blankets took place in the middle of winter.

Because of demand, I am keen to commence the eye camps when safe to do so.

Tanuja Joshi, Managing Director, the Venu Eye Institute has told me that she will be happy to commence eye camps once she gets permission from the government.

Please stay safe!

Amroha Appeal

We have distributed nearly ten thousand bags to over 4000 people since May 2020. There are many poor people but we decided to distribute bags to the same neediest people. Contribution can be made by PayPal on www.amrohainternationalsociety.com
