Annual Blanket Distribution

Winter in Amroha can be very cold, especially for poor people who often sleep on concrete floor with very few blankets. Every winter, we provide blankets to as many of these people as possible.

Steve Walker

My old friend Steve Walker, a registered accountant in Hobart has been auditing the account of the Amroha International Society for many years without any charge. I am grateful to Steve for finding time to do our audit despite his busy practice

Sardar Surender Singh

He is the Chairman of the Amroha Committee. He is a highly respected businessman. Despite being busy he goes to the eye camp and brings his staff.

Krishan Kumar (Guddu)

I employ him for family work. I also use him as the administrator. He is responsible and a hard worker. He has a team of volunteers.
